About us

HANURUHA Women's Rehabilitation Centre is a safe, supportive, and empowering environment designed to help women rebuild their lives with dignity, confidence, and independence. We provide holistic rehabilitation services that focus on emotional healing, skill development, mental well-being, and long-term reintegration into society.

Clinical & Support Staff

- Licensed psychologists and counsellors
- Certified social workers
- Experienced medical professionals
- Skill development trainers

Our Approach

Our team follows a compassionate, non-judgmental, and personalised care model. Every woman receives an individual rehabilitation plan designed to support her unique needs and future goals.

Treatments

- Psychiatrist & Physician Evaluation
- Detoxification
- In-Patient and Outpatient Service
- Individual, Group & Family Counselling Therapy
- Yoga meditation and spiritual therapy
- 24/7 service available
